

*Clean and Free by the Sea began in 1983 as a small retreat in the resort town of Ocean Shores, WA with 60 addicts. Today we fill the town with approximately 3000 of us who come to celebrate our recovery from the Disease of Addiction*

Newcomer Registration Packages are available for new members or those with less than 90 days clean. Supplies are limited. Show up early at the registration area

## ATTENDANCE

**Priority seating for the Friday and Saturday main speaker events will be given to the first 1000 Pre-Registrants only until the main speaker begins. After the start of the main speaker seating will be on a first come basis until the maximum capacity is reached. Overflow room will be available for 400 registrants.**

This year we have two main speakers on both Friday and Saturday to help with overcrowding issues. We hope to accommodate all those wishing to attend this celebration of recovery.
